Dear ██████████

**Official Information Act request**

I am writing in response to your Official Information Act request on 16 August 2017 requesting:

*Copies of the cabinet papers and regulatory impact report for the intended closure of Superu as indicated on your website. In particular I would like to know the fate of various important functions which Superu provides for the social research community and public.*

Due to staffing changes your request has been overlooked until today and I apologise for this.

Superu does not hold the information you have requested, therefore the Minister of Social Development will respond to your request.

Yours sincerely

Clare Ward  
**Chief Executive**
